HEALTH & SAFETY

THE ATTENTION OF ALL EXHIBITORS, COMPETITORS, TRADERS AND MEMBERS OF THE PUBLIC IS DRAWN TO THESE REGULATIONS

The Health and Safety at Work Act 1974 places a responsibility on the Society for the health and safety of Society and Committee Members, visitors, traders, exhibitors, contractors, volunteers and members of the public who are attending the Society's Annual Show. As a condition of entry into Thornton Le Dale Show all such persons are themselves required to comply fully with the Health & Safety at Work Act 1974 and all other current, relevant legislation and/or established guidance relating to safety at public events, including Thornton le Dale Show & Sports Society's rules and regulations, this Health & Safety Policy and any legal obligations placed upon them.

The Society is committed to the highest attainable standards of health and safety for all of those persons listed above. To enable these standards to be achieved and maintained the Society will endeavour to ensure that all applicable statutory requirements are enforced and that the provisions of any relevant advisory Codes of Practice are recognised and implemented.

Every exhibitor and trader is responsible for the safety of all equipment including electrical generators and gas appliances which should be tested prior to use and the report be made available for inspection by the Show Director, if requested. Users should ensure that such equipment is operated in a safe manner and that in the event of such equipment catching fire, the appropriate means to deal with the incident is available on site. The Society will not be responsible for any accident that may occur from the machinery or equipment belonging to any exhibitor or trader, and it is a condition of Entry that each exhibitor or trader will hold the Society blameless, and indemnify it against any legal proceedings arising from any accident caused by an exhibitor's or trader's machinery or equipment.

The prior written approval of the Secretary is required before any Hazardous Substance can be brought onto the Showfields. Anyone bringing a Hazardous Substance on to the Showfields must ensure that it is transported, handled and stored in a safe manner.

Trade Stand Exhibitors will be responsible for the safety of the general public visiting their stand, ensuring that all exhibits are safe and that adequate escape routes are provided. Traders are required to have in place appropriate Public Liability Insurance and must produce supporting documentary evidence to this effect before being allowed onto the Showfield.

Whilst the Society accepts that the behaviour of live exhibits is unpredictable, it would not expect exhibitors to show any animal that is not properly trained for showing.

FIRST AID, DOCTOR and VETERINARY SURGEON are in attendance on the Showfield and/or may be contacted via the Secretary who can be located at the Pavilion.

In the event of an emergency, a **TELEPHONE** is available from the Secretary, at the Pavilion.

All exhibitors and members of the public attending the Show should be aware that live exhibits can be easily frightened and can be dangerous. They should pay particular attention where animals are tethered or moving and avoid behaviour that might alarm them.

Livestock and equine exhibitors are responsible for carrying out their own risk assessment for the control, movement and conduct of their animals at all times and for applying reasonable controls to ensure that they do not escape or pose a danger to the public. Livestock must be under the control of a competent handler when being moved. If the handler is a junior handler, he/she must be supervised by a competent adult handler who is able to restrain/control the animal in an emergency.

Children must be supervised at all times. No bicycles are allowed on the Showfield.

The Society reserve the right to prohibit entry to, eject or have ejected from the Showfields any person guilty of noisy or disorderly conduct or of any other practice likely to annoy other persons attending the Show, or who interferes with the quiet use of the Showfields by any other person.

No alcohol may be brought onto the Showfield

All dogs brought onto the Showfield must be kept on a leash and under the control of a responsible person at all times. Owners are required to clean up after their pets and deposit all waste in a litterbin.

Horses may only be ridden in the rings and designated exercise area and must not be ridden in areas open to the general public

A rider will be provided with a wristband giving free admission to the Showground. When necessary and where authorised by the Equine Secretary, an accompanying person or groom will also be issued with a specific, **blue** coloured wristband which will allow this person to accompany horses into the main ring. Space is limited and in the interest of visitor safety, only horse boxes will be allowed into the horse box parking area, not accompanying vehicles.
